Topics covered inside the product include but are not limited to:

- 1) Where to get a profile to start meeting women online
- 2) Why meeting women online is different than meeting women in clubs, bars, or through friends
- 3) Debunking the myths around online dating: what's true and what's false
- 4) How online dating sites work and how social network sites (Facebook etc.) work
- 5) How to create attraction online
- 6) How to write an attractive online dating profile: in-depth lessons about photos, your profile description, your interests, and for social networks about profile comments, profile friends, profile media, site groups, and more
- 7) Where to find women online: the best places of online dating and the best way to search for women
- 8) How to write a response subject and a response itself so women reply to your response 9 out of 10
- 9) How to write follow-up messages once women have replied to your response
- 10) A collection of great resources to learn more about online dating
- 11) A list with ideas, thoughts, and suggestions about 44 different types of women that you can use to capture their attention
- 12) How to ask for a woman's phone number, email, or chat address online
- 13) How to go from online to the date: tips for calling, emailing, and chatting
- 14) The date itself: how to prepare for a date, what to do on the date, etc.
- 15) Advanced online dating: having multiple profiles, meeting women from other countries, etc.

The Simple Inner Game System

Launched in: late 2009

Price tag: \$24.99 (price is subject to change)

Topics covered inside the product include but are not limited to:

- 1) A definition of TRUE confidence and how to improve your confidence using NLP psychology techniques
- 2) The fear of rejection and the fear of failure... and what to do about them
- 3) Why men can't understand women and vice versa... and what attraction really is
- 4) Why women REALLY test men, why rejection often is a test, and what to do about it so women will never test you but chase you around!
- 5) What makes bad boys so attractive and the 4 bad boy traits you can use to meet more women today
- 6) Why women fall for a man's character... all the character traits that create attraction... and why these traits create attraction from a genetical AND psychological perspective
- 7) How to approach women without using cheezy pick up lines, thinking too much, being scared, or forcing women into a conversation
- 8) How to turn any situation into one that lets you meet women
- 9) The most natural (and thus effective way) to get a woman's phone numbers
- 10) How to go on a date with her and how to make her come inside with you afterwards...
- 11) 25+ great places to go to on a date and what to do there to have success
- 12) Why women object to having sex on the first date, and why it has nothing to do with you and everything with society. There's a way around it!
- 13) How to get physical with a woman on a date: from touching to sex...
- 14) What to do after that first date: how to turn things into friends with benefits or a relationship, if you choose to
- 15) The true rules of the dating game: how to go from mud to stud by doing what I did

The Calling Women and Texting Women Program

Launched in: summer of 2010

Price tag: \$97 (price is subject to change)

Topics covered inside the product include but are not limited to:

- 1) Why most men try to get women's phone numbers all wrong... and the right way to do it
- 2) Why getting a date when you call a woman already starts when you write down her number... and ways to write that number down that will get you that date!
- 3) Why getting her email or going on an "instant date" with a woman doesn't work as well as getting her phone number... and why it's a bad idea to give her your number!
- 4) When to call women and why waiting for days before you call is a very, very bad idea
- 5) A secret way to test if a woman is available to talk to you over the phone
- 6) How to talk to women over the phone: how to stop being nervous, being a stutterer, and someone who doesn't know what to say on the phone... and how to start creating attraction
- 7) Why calling women and getting phone numbers doesn't mean that men should always call
- 8) How to keep your phone bill low, even if you suddenly need to call dozens of women
- 9) The art of sending text messages: how, how many times, the costs, and more...
- 10) When to call women and when to text women and why most men text at a bad time...
- 11) How to send text messages that almost make women want to date you NOW
- 12) How to ask women out over the phone: all the techniques you'll ever need to land a date during a conversation over the phone
- 13) How to use your phone to get a second date, a third date and more thanks to a genius follow-up technique after the first date...
- 14) Remote control attraction: how to keep your girlfriend interested in you psychologically and sexually... all with your phone
- 15) How to use your phone as a tool for meeting women: phone applications, fake phonecalls, and other techniques from the land of the bizarre that are very effective

Coaching: Meeting Women In Clubs And Bars

Launched in: March 2009

Price tag: 75 euros (around \$95) per coaching session

What this service is about:

Showing 1 single guy or a group of guys how to meet women in clubs and bars from around 8 PM until 6 AM or even later (depending on opening hours of the venues in the city of choice). Each coaching session ideally takes places in a different city. Visited cities so far include: Amsterdam, Rotterdam, Utrecht, and Den Bosch (all in the Netherlands). During the session, many insights and techniques from the Simple Inner Game System and Calling Women and Texting Women Program are put into practice. The student is motivated to approach women, gets feedback on how he's doing, the coach approaches women together with the student, the coach lets students approach women together in teams, and more. The main goal is to let a student get used to approaching women in different clubs and bars and even outside in the night district, so the student has enough practical experience after the coaching session to meet women in clubs and bars in his hometown.

Coaching: The Diehard Coaching Package

Launched in: March 2010

Price tag: \$124.99 per month (for 3 coaching sessions and all products for free)

What this service is about:

The student is coached by Dennis Miedema himself via Skype, MSN or Yahoo Messenger, or face-to-face during 2 group coaching sessions and 1 personal coaching session per month. Before the first session Dennis sits down with a student to define his needs, goals, and wants when it comes to social success and dating success. Dennis then uses each session to help the student with those specific goals, gives him homework to work towards those goals, and answers questions about the latest social and romantic experiences of the student. The ultimate goal of the Diehard Coaching Package is to carefully guide and advise a student to overcome his personal obstacles with women and in life on an on-going basis. Students also receive all of Dennis's products for free the moment the first of 3 coaching sessions starts.
